Takeaway Services

Fancy a meal by the pool, or even in the pool. Maybe you fancy a night in and just don't want to prepare food or go out. Here are three restaurants which offer a great takeaway service and we have arranged with our taxi drivers for a collection and delivery service straight to Tropical Hideaway. All prices are in EC dollars and include 15% vat.

How it works

1. Call the restaurant and place your order saying it's a takeaway for Tropical Hideaway.
2. Ask the total price and how long it will take to cook.
3. Tell them the taxi will pick it up in ?? minutes. (your agreed time)
4. Phone one of our local taxis and tell them the total price and the collection time
5. Add 10 minutes for the delivery time and meet the taxi by the gate.
6. Pay him the money for the meal and the additional cost of the taxi (leave a small tip if you wish)

Mac's Pizzeria 458 3474 Allow 30mins for cooking, 45mins including delivery.

Pizza favourites

Fresh fish with pineapple, mushroom and onion.

Italian sausage, pineapple, mushroom and onion.

Lobster, if it is in season (1st October to 30th April) and available.

Tip. If there are two of you and you want something different, you can have half and half, i.e. half with fish and half with meat. Just ask, there is no extra charge.

The 9" size will feed 2 people.

The 13" will feed 2 hungry people.

The 15" will feed 2 starving people with some to spare, or up to 4 people.

Tip. The large 15" size is only slightly more expensive than the smaller ones and you can save the extra slices for later, or the next day.
